E-News No. 5, 30 May 2019

Last days of registration for EuroNanoForum 2019! Only 2 weeks before the EuroNanoForum 2019 kicks off!

Dear colleague,

We are pleased to announce you that the event programme is now available on the conference website!

- You can find the main points addressed during the conference sessions and workshops!
- You can draw your own participation programme selecting the presentations you would like to attend – the keynote speakers and invited speakers profiles, as well as the main talking points they want to convey with your presentation!
- Register to the matchmaking to get the most out of the 3rd day events!

There is still time to join us in Bucharest for over 15 exciting sessions.

Registration is still open for the conference participants!

[REGISTER TODAY & ACCREDITATE](#)

Please, don't forget that you have to accreditate. It is mandatory for event venue!

The accreditation procedures will close on June 02, 2019.

Energy harvesting advanced materials is in focus at EuroNanoForum 2019! PILLAR 1: NANO for ENERGY

Containing three exciting sessions on June 12 (AL. I. CUZA HALL)

1.1 Nanotechnologies and Advanced Materials for a Carbon-neutral Society by 2050

1.2 Advanced Materials and Nanotechnologies for Harnessing Solar Energy

[Subscribe](#)[Past Issues](#)[Translate](#)

1.3 Energy enabling nanotechnologies for circular sustainable growth

Advanced materials and nanotechnology for professionals from the healthcare area!

PILLAR 2 – NANO for PEOPLE

Containing three exciting sessions on June 12 (SPIRU HARET HALL)

2.1 Advanced materials and nanotechnologies for healthcare

2.2 Nano-medicine and medical technologies

2.3 Nanotechnology for society

Check the [Programme](#) and [Speakers page](#).

Seven new Special Workshops will take place on June 14, 2019, during EuroNanoForum 2019

1.1 EuroNanoForum and Boosting Innovation Tour for EU Industry (organiser: European Commission, IMT Bucharest)

1.2 Boosting Innovation Tour – 2nd Session - RO infrastructure

2.1 Nanosafety for the future: governance and sustainability (organiser: NanoSafety Cluster)

2.2 European Materials Characterisation Council (EMCC)

3.1 Nanotechnology and Advanced Materials research in H2020 and Horizon Europe (H-EU): Strategic planning, impact, governance and public engagement (organiser: EUMAT)

3.2 Shaping the Future R&I Programme Framework on Advanced Materials for Energy Transition and Mobility (EMIRI, with the support of eseia)

3.3 Additive Manufacturing: industry necessities and research solutions (organiser: National Institute for Lasers, Plasma and Radiation Physics, Romania)

Check out the **NEW information about Workshops** [here](#).

Matchmaking/Brokerage Event will take place on June 14, 2019, during EuroNanoForum 2019

Brokerage - Register and create synergistic connections.

You can find more information [here](#)!

Stay tuned! More to be announced soon!

Exhibition Opportunities - See the confirmed [exhibitors profiles](#)!

Meet Bucharest, an exciting city, which is the host of EuroNanoForum 2019 and find out various ways to spend your free time during your visit!

Read the latest news!

EuroNanoForum 2019 is the most significant European forum that brings together scientists, industrialists and policy makers.

Yet, there is so much more for you to discover:

Exciting networking opportunities

Once registered, you enter the guest list for two very special events, especially designed for networking, exchanging ideas and opinions with other participants from all over the world, in an enjoyable atmosphere.

A special “Welcome to Romania!”

As the first day of conference comes to an end, on June 12th, we will be pleased to welcome you in the *Majestic Receptions Hall* of the Palace of the Parliament for an enjoyable cocktail. Join us to meet amazing professionals as you are and make the most out of your participation!

A Memorable Gala Dinner

On June 13th, the elegant [Ghica Palace Ballroom](#), an exquisite space telling the story of Romania’s capital city, will open its doors for all the guests of EuroNanoForum 2019, to celebrate together innovation and creativity. The evening will be sprinkled with beautiful moments, for your enchantment and unforgettable memories!

Please forward this newsletter to your colleagues, collaborators, students, etc. interested to attend the event.

If you have any further questions, please contact info@euronanoforum2019.eu.

Looking forward to meeting you all in EuroNanoForum 2019!
